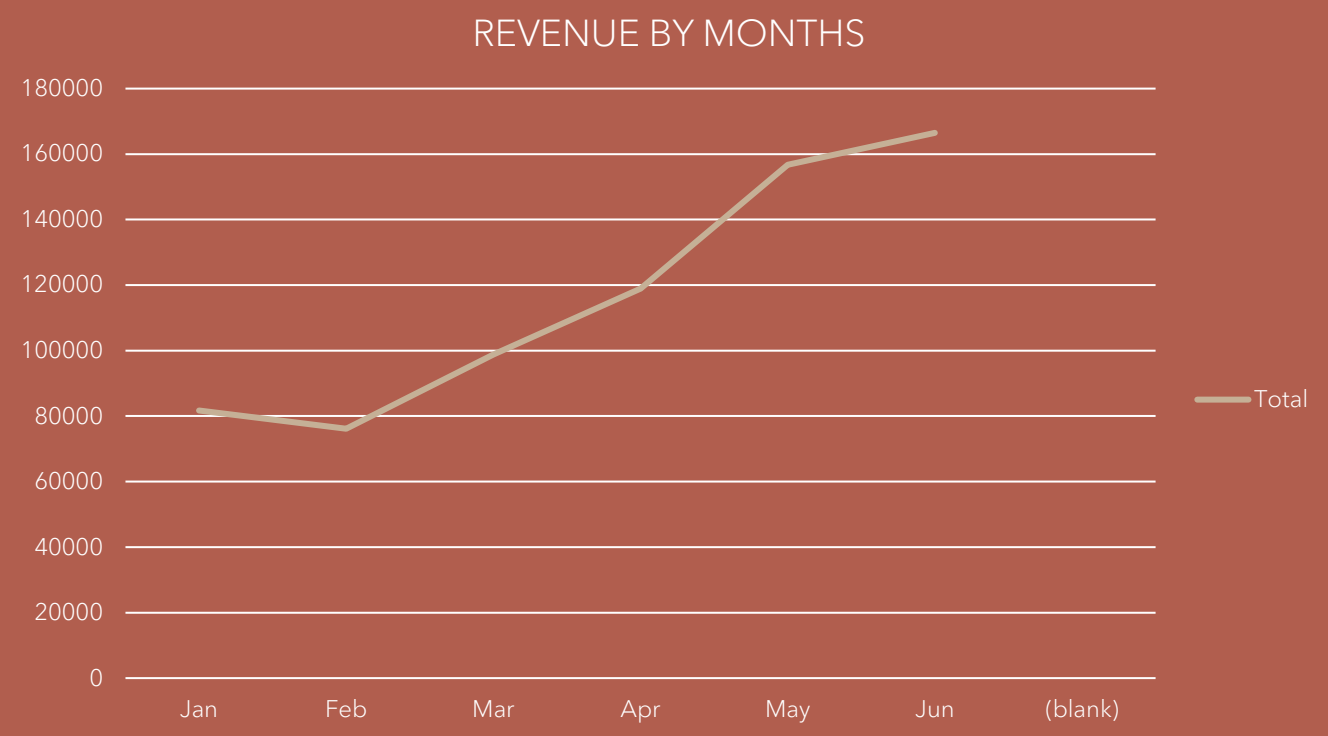
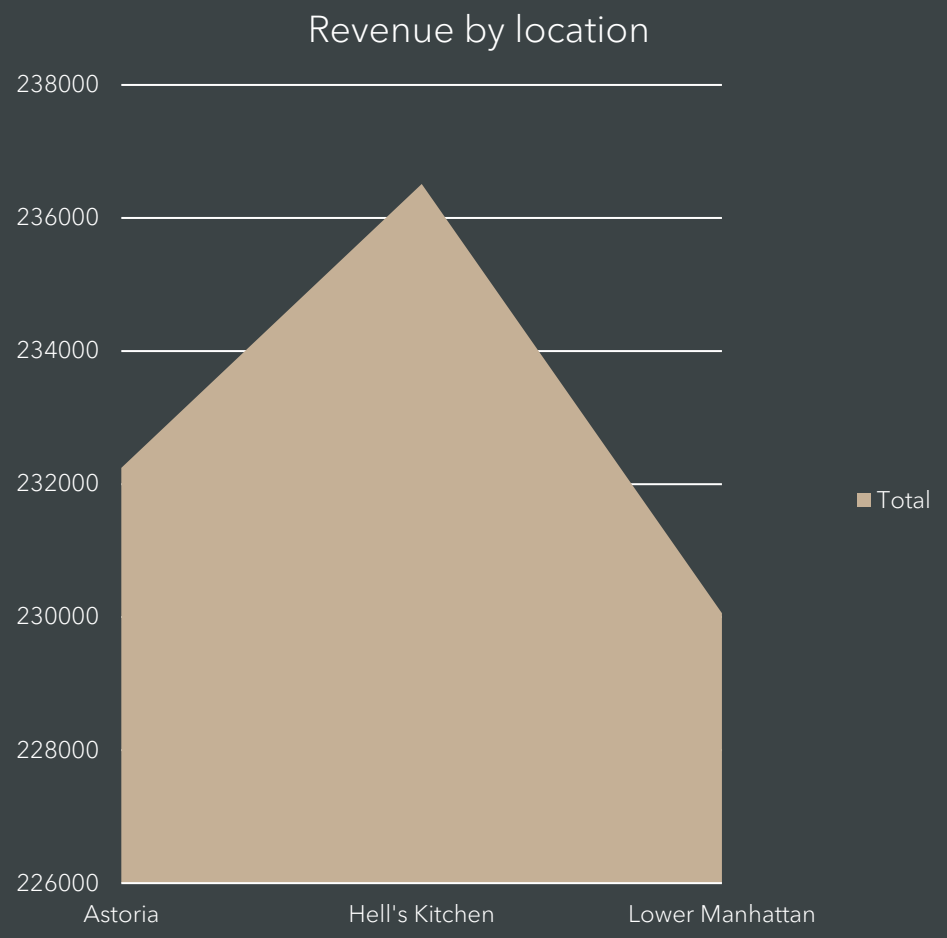
Revenue over the last six months



Our clients love going to Hell’s Kitchen!!!!



Recommendations

- Increase inventory for top-performing items
- Run targeted promotions for underperforming products
- Launch marketing campaigns during slow time intervals
- Explore loyalty programs based on customer peak hours
- Standardize daily sales reporting for real-time monitoring
- Plan for multi-location performance tracking in future expansions
- Inclusions of product cost data and other operating overheads to improve profit calculations and help with business decision.
